WHO WE ARE

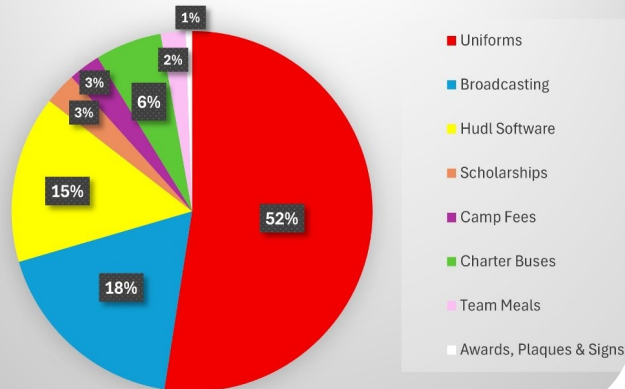

The Clarion-Goldfield-Dows Sports Booster Club is a nonprofit 501(c)(3) organization that is committed to providing financial support to the CGD High School Athletic Department and all of our CGD student athletes.

We are local parents, teachers, alumni, community members and business supporters who together raise the majority of our funds through memberships, concessions sales, tournaments, special events & fundraisers.

OUR MISSION

We are dedicated to the continued support of our student athletes, coaching staff, and athletic department. In addition to financial support, we are committed in providing our CGD athletes with safe, reliable, and quality facilities, equipment and opportunities.
