MEMBERSHIP DRIVE

FUELING EVERY ATHLETE.
EVERY TEAM. EVERY SEASON.

The Clarion-Goldfield-Dows (CGD) Sports Boosters is a volunteer-led, nonprofit organization dedicated to supporting every CGD student-athlete, every team, and every season. Working alongside the CGD District, CGD Athletic Department, and coaches, we help provide resources that enhance the overall athletic experience for students in grades 7–12.

Our mission is to strengthen CGD athletics by raising funds, promoting school spirit, and investing in opportunities that help our athletes succeed both on and off the field, court, mat, and track. Membership donations, sponsorships, fundraising events, and volunteer efforts allow the CGD Sports Boosters to provide financial support for projects and needs that extend beyond the school's athletic budget.

Your CGD Sports Boosters membership donation directly supports all CGD student-athletes, coaches, and the CGD Athletic Department.

No matter the membership level, every dollar makes a difference. Your support helps provide equipment, uniforms, live-streaming and broadcasting resources, training opportunities, facility improvements, and Hudl performance software and cameras that enhance the experience and success of every CGD student-athlete and coach.

Thank you for investing in the future of CGD athletics. Together, we can continue providing opportunities for our student-athletes to learn, compete, and succeed.
